

Devon 2023

What are you doing between 27th to 29th January 2023?

The WCC are planning a weekend of caving and socialising in Devon.

Les has arranged a Wessex weekend in Devon. Due to the local abundance of Tribute (one of many fine local ales) this will be more of a social event than a full-on caving event.

However there will certainly be lots of caving and mine exploration available.

For those who have not caved in Devon before it will be a worthwhile experience.

For those that have then there is always the Tribute!

Dates: Friday 27/01/2023 to Sunday 29/01/2023

Accommodation: Devon Speleological Society Bunk House, Buckfastleigh
(see <http://www.southdartmoorbunkhouse.co.uk/>)
